Think of a Pokémon, I'll Guess It!

Hello trainer! Are you ready for your Pokémon journey?

TRAINER GUESS is an amazing guessing game that lets you collect Pokémon. Think of a Pokémon, and the game will try to guess it by asking you questions. If **TRAINER GUESS** guesses it right, the Pokémon will be added to your electronic collection!

BEFORE YOU START:

Check if there are already any Pokémon in your collection (using the instructions from the **CHECKING YOUR COLLECTION** paragraph). If this is the case, you can start a brand new collection by resetting the game.

RESET YOUR COLLECTION:

With adult supervision, use a screwdriver to open the Poké Ball battery compartment. Then, press and hold the Poké Ball's button. Keep holding it down while you close the battery compartment again and wait to hear "We Now Have 0 Pokémon." before releasing the button. Your collection has now been reset.

HOW TO PLAY WITH TRAINER GUESS:

Press the Poké Ball's button to turn it on. The Poké Ball will talk to you and ask you to think of a Pokémon.

Say "OK" in a clear voice when you've thought of a Pokémon and are ready to play.

TRAINER GUESS will ask you several questions in order to guess the Pokémon you've chosen. You can answer with:

- "YES"
- "NO"
- "I DON'T KNOW"
- "IT DEPENDS"

If you didn't hear the question, you can ask the Poké Ball to repeat it by saying: "SAY IT AGAIN".

If you want to change your previous answer, you can ask the Poké Ball to go back by saying: "GO BACK", when the Poké Ball is silent.

The Poké Ball will then go back and ask you the previous question again. You can go back as far as the first question asked.

If you don't want to play anymore, press the Poké Ball's button to switch it off.

If the toy is left inactive for 60 seconds, it will switch itself off.

TRAINER FIELD GUIDE:

Your field guide will help you a lot during your journey. Use it to discover new Pokémon and learn more about them. In case you're not sure of an answer, check it in your field guide! Answering the Poké Ball's questions correctly will increase its chances of finding your Pokémon. And when a Pokémon is added to your electronic collection, don't forget to also check it off in your field guide.

CHECKING YOUR COLLECTION:

You can check your collection at anytime during the game by simply holding down the button for 2 seconds. The Poké Ball will then stop the guessing game and tell you how many Pokémon you have, how many are left, and it will even give you the list of all the Pokémon you've collected.
